City Engages Local Business Community in Meeting

Local business owners are invited to a Business Outreach meeting to be held Thursday, October 18th at 7:30 a.m. at Umpqua Community Room, 146th West 2nd Street. The topic for this meeting will be Workforce Housing.

City Council and City staff want to hear from business owners to learn about any issues or concerns. These meetings are designed to address these issues to help ensure current businesses' success and attract new businesses.

WWTP Receives Award

City of North Bend received the Outstanding Wastewater Treatment Plant Award for 2017.

The Department of Ecology commended the City on the superior performance of its wastewater treatment plant.

According to the letter from DOE sent to Mayor Ken Hearing, the outstanding record of City of North Bend Wastewater Treatment Plant places it among the top municipal

wastewater treatment plants in Washington based on effluent limits, submittals and overall plant compliance.

Arbor Day Tree Planting and Free Tree Care Advice & Tips

The City of North Bend proclaims Friday, November 2 as Arbor Day 2018 and invites citizens to a community tree planting event and tree care lessons from Arborists at Torguson Park, 750 East North Bend Way. The event will be held at the

Picnic Shelter beginning at 3:00 p.m.

Please join Mayor Ken Hearing, members of the Snoqualmie Valley Garden Club, and other community volunteers to plant trees to help beautify Torguson Park.

NE 12th Street Project Nearing Completion

Workers remove rhododendron bushes for improved visibility.

Fury foreman setting road edge marks.

Grading the edge of three new culverts.

A ribbon cutting ceremony will be held to commemorate the project completion. Stay tuned for day/time details!

Long-awaited reconstruction to NE 12th Street is nearly complete!

Councilmembers rated this project near the top of their priorities of needed City Transportation Improvements and are excited to see the elimination of the heaving pavement and other street defects.

The project included installation of a new water main, water services and additional fire hydrants; installation of 3 new floodway culverts, installation of bio swales and total reconstruction of the road.

City Conducting Survey on Weigh Station Relocation

City of North Bend would like your feedback on the proposed relocation of the weigh station at exit 25. Washington State's I-90 / SR-18 interchange has been dangerous for quite some time and is becoming increasingly dangerous. The City hopes the State can expedite much-needed improvements for better traffic mobility and safety.

Please *Take My* Survey

There are 5 options for relocating the weigh station at exit 25, with milepost 33.5 in North Bend being the preferred location for Washington State Patrol. Do you support or oppose having a weigh station with up to 70 overnight parking stalls at this location? If you are a resident of North Bend, please provide your feedback by taking the survey.

The survey only takes a few minutes and will be open until October 31st. Responses will remain anonymous and the aggregate responses will be used for research purposes only. We appreciate your time and feedback. [Weigh Station Survey](#)

Conversation was Brewing During Coffee with a Cop Held Oct. 3rd

Officers from Snoqualmie Police Department met with local citizens over coffee during Coffee with a Cop on Wednesday, October 3rd from 8 a.m. to 10 a.m. at Twede's Café.

Coffee with a Cop gives community members an opportunity to discuss concerns or engage in friendly conversation in an effort to improve trust and build relationships.
